

IMPORTANT SAFETY NOTICE

CHEMTECH® CLEAN & EASY MOULD & MILDEW KILLER 4 LITRE BC36-4L

Product number: 9310997016900

Defect: Product can leak from the cap of the bottle.

Hazard: There is a risk that, if the product leaks from the packaging, it may cause skin and/or eye irritation and damage/corrode property.

What to do: Consumers should return the product to the place of purchase and exchange for a full refund. **As a result, ITW AAMTech are recalling the product.**

Consumers are advised to immediately stop using the product, and to check the product for any leaks or damage and that the container's cap is sufficiently tightened. Consumers should isolate any leaking/damaged packaging in a plastic bag secured with a cable tie, and then store it in a safe place until returned to the place of purchase. When handling the product, consumers should wear protective gloves, avoid all personal contact, including inhalation.
