

WARNING! MANDATORY STOP USE.

Australia / New Zealand

March 2022 - WARNING! MANDATORY STOP USE. Failure to do so may result in serious injury or death

At Honeywell, our mission is to be the global leader in personal protective equipment with innovative solutions that protect and save lives. In line with our commitment to our mission statement, we are writing to inform you that it has been determined through standard validation and testing processes, that in some cases, there is a safety issue with the Falcon Leading Edge Stainless Steel Self Retracting Lifeline.

While there have been no reported incidents due to this safety issue, **Honeywell Personal Protective Equipment has issued this Mandatory Stop Use Notice on Falcon Leading Edge Stainless Steel Self Retracting Lifeline because the use of the product could result in serious injury or death.**

Detailed instructions are below on immediate actions you are required to take if you are in possession of the parts noted in Table 1:
