

# Product Safety Recall

## Do you own this product?

**Jamec Pem Tyre Thread Depth Gauge Digital**  
**Product Code 32.2645**

Dates sold: 3 November 2021 – 12 September 2024

**Why the product is recalled:** The product does not comply with the [mandatory standards for products containing button/coin batteries](#).

- The button/coin battery is not adequately secured and is accessible to young children.
- The product does not have correct warnings for button/coin batteries.
- The product does not have child proof safe packaging as required for products with button/coin batteries.
- The product does not have a compliant test report to demonstrate child resistant packaging requirements have been met.

**Hazard:** There is a risk of choking or serious injury if young children gain access to the button/coin batteries and swallow or place them inside their body.

1. Consumers should immediately stop using the product and keep it out of reach of children.
2. Consumers should return the product to the place of purchase to receive a full refund.

For more information or if you are unable to return the product, contact Tradepem Industrial Pty Ltd via [warranty@adventureoperations.com](mailto:warranty@adventureoperations.com) or phone 07 3193 1110 (9:00 am to 5:00 pm Monday to Friday EST).

Purchased from: Burson Auto Stores, Blackwoods Stores, plus 12 Independent tool stores Nationally and [jamecpem.com](http://jamecpem.com) website.
