

Product Safety Recall

Do you own this product?

Narva Electronic Fuse Tester

Yellow blade fuse tester and puller with Narva branding.

Dates sold: 22 June 2022 – 13 June 2023

Why the product is recalled: The product was sold without the [warning information required for products containing button/coin batteries](#).

Hazard: There is a risk of choking, severe internal burn injuries or death to young children if they gain access to the button batteries and swallow or insert them. Consumers may be unaware that the product contains a button battery.

Consumers should immediately place the product out of reach of children.

BWI will be contacting consumers and sending out warning labels to affix to the packaging.

Ask our staff to find out more about the recall.
